## Program Schedule

### NOTES

---

**Important Note:** All classes are held daily (Mon - Friday) at the time period listed, unless otherwise noted.

<sup>1</sup> There is a mandatory shake down meeting on **Sunday night at 7:00 PM**. Ultimate Zone and Woodruff Xtreme - bring all hiking gear. Whitewater Challenge - bring river gear

<sup>2</sup> Due to the large number of scouts taking this merit badge, this may appear on the online schedule as multiple sessions. Each session is identical in content.

<sup>3</sup> Scouts that do not pass the Swimmer's Test will automatically be moved to the Swim Lessons class, at the Aquatics Director's discretion.

<sup>4</sup> Openings for this activity are limited. While scouts may "walk up" and do this activity, preference will be given to those troops that sign up in advance.

<sup>5</sup> Scouts wishing to "demonstrate proper technique for performing CPR" may do so by passing a brief test. This does not certify the scout in CPR, but does meet the merit badge requirement of many merit badges.

<sup>7</sup> This merit badge may require additional afternoon field work or skills practice. Scouts will need to plan on attending one or more sessions in the afternoon or evening periods to complete the merit badge

<sup>9</sup> Cooking Merit Badge will cover ONLY the bookwork and dietary requirements. ALL scouts will receive a partial

<sup>10</sup> While walk ups are welcome, preference will be given to scouts practicing for the merit badge and to roop s signed up in advance. Note - Rifle Range is open ONLY for Merit Bage participants in Session C

<sup>11</sup> The shotgun range is not available for open shoot. Scouts must enrolled in the merit badge.

<sup>12</sup> Space Exploration Merit Badge has rocket launching Friday afternoon during A period.

<sup>13</sup> Horsemanship Merit Badge is a two day badge. On the 'ride' day, the trip will leave at 12:30 from Main Pavilion. On the other day, class will be at 2:00 pm. This is a Mon/Tue or a Wed/Thur badge

<sup>14</sup> River Trips and the Horse Trail Ride leave at 12:30 daily from the Main (Check-in) Pavilion

<sup>15</sup> Single period morning session daily. Afternoon two day double period session ( A & B ) will be offered as a Mon/Tue session or a Wed/Thur session.

<sup>16</sup> This is a troop activity ( non staffed ). Leaders must practice Safety Afloat guidelines.

<sup>17</sup> Most Nature Merit Bades have afternoon and/or evening field sessions. Scouts should plan to attend some afternoons in order to complete the requirements. The amount of time will depend on the individual scout

<sup>18</sup> This merit badge is only offered in the afternoon for a two day session, either Mon/Tue or Wed/Thur. Participants may need to attend Friday afternoon as well, depending each individual class.

<sup>19</sup> Fishing merit badge participants will need to provide their own fishing pole and tackle. The camp will not provide poles. Cane poles will be available for sale at the camp trading post.

<sup>20</sup> BSA Aquatics Supervision Courses. Swimming and Water Rescue: 9:00 until 12:00 both Tues and Wed. Paddle Craft Safety: 2:00 until 4:45 both Tues and Wed. These are two day courses for adults.

<sup>\$</sup> This merit badge, or activity, may have an associated cost. Please refer to the camp Mert Badge Quick Reference Sheet for details.
